The 25^h Tel-Aviv International Student Film Festival

The International Digital Media Competition and Exhibition

We are delighted to invite your school to submit its recent student projects to the 2023 International Digital Media Competition and Exhibition.

The festival will take place on June 25th –July 1st 2023 in Tel Aviv, Israel.

The Tel Aviv International Student Film Festival was established in 1986 as an initiative of students. The festival is managed and produced solely by volunteer film students, who spread their cinematic passion and enrich the festival with a vibrant unique atmosphere for which it is famous. Nowadays, the festival is ranked by CILECT as the largest in its field and one of the world's top three most important.

The festival is an opportunity for young filmmakers from all over the world to present short innovative cinema, and participate in gala screenings, masterclasses, conferences, and special tributes.

In its sixth edition, the International Digital Media Competition will present an exhibition of narrative projects created by students from all around the world, on various digital platforms. The International Digital Media Competition will focus on projects in the following categories:

VR / AR / MR / Video Games / VFX Films / Animated Films / Interactive Exhibits / Spherical Video (360) / Web / Cross-Platform

★ Submissions are open only for students studying at a higher education institute.
