The International Digital Media and AI Competition

The International Student Film Festival 2026!

We are proud to announce the opening of submissions for digital projects and AI-based films for the International Digital Media Competition, held as part of the 28th International Student Film Festival!

The festival will take place from June 23 to June 30, 2026, at the Tel Aviv Cinematheque.

The event provides young creators from around the world with the opportunity to present their talents, participate in fascinating lectures, masterclasses, celebratory tributes, and special exhibitions dedicated to the leading creators in new media.

The competition emphasizes works that utilize digital technologies to immerse the audience in rich and inspiring worlds. The competition will focus on the following fields:

- **Web / VR / AR / MR / Spherical Video (360)**
- **Transmedia Storytelling / VFX Based Narrative / Interactive Storytelling**
- **AI-Based Narrative**

Final deadline for registration and project submission: February 23, 2026.

Submissions must be made exclusively through the ****[FilmChief](#)**** system.

Best regards,

Hadar Yehoshua, Yigal Almagor Houtmeyers,

Directors of The International Digital Media and AI Competition
